PROGRAM GOALS

Alabama Dieticians: \$48,230 yearly median salary

This program is centered around students who have an interest in pursuing careers in nutrition, wellness, and health and disease prevention. Courses provide students with knowledge in event planning, photographic styling applications, social media and digital design techniques, developing and adapting food products for marketing and specific nutrition needs, meal planning, food safety, and the scientific investigation of production, processing, preparation, evaluation, and utilization of food.

Join FCCLA

Family, Career and Community Leaders of America (FCCLA) is a dynamic and effective national student organization that helps young men and women become leaders and address important personal, family, work and societal issues through Family and Consumer Sciences Education as determined by the state department of education. FCCLA has over 150,000 members and more than 5,300 chapters from 48 state associations, Puerto Rico, and the Virgin Islands.

The organization has involved more than 10 million people since its founding in 1945. The Ultimate Leadership Experience is unique among youth organizations because its programs are planned and run by members. It is the only career and technical in-school student organization with family as its central focus. Participation in national programs and chapter activities helps members become strong leaders in their families, careers and communities.
