

DIRECTORY INFORMATION

“Director Information” may be made available at the discretion of the principal without the prior consent of the parent. However, students and their parents shall be notified at the beginning of each school year the categories of directory information and their right to request that all or part of such information not be made available to the general public. Directory information shall consist of the student’s name, address, telephone number, parent’s name, grade level, participation in officially recognized activities, weight and height of members of athletic teams, awards and honors.

(Student Records, Policy JR)

Directory Information includes:

Student Name

Address

Telephone Number

Parent’s Name

Grade Level

Participation in officially recognized activities

Weight and height of members of athletic teams

Awards and Honors

Any parent wishing for directory information not to be given out to the public for their student must annually inform the school in writing.
