

## **Laptop/Technology Device Checkout Agreement**

YOU MUST HAVE YOUR PRINCIPAL'S APPROVAL TO TAKE SCHOOL OWNED EQUIPMENT HOME WITH YOU.

School	:		
Printe	d Name of Individual checking	ut device:	
Serial	Number(s):	Afg/Description(s):	
camcor		device owned by the school or the school system. This includes digital cameras, logy equipment. All conditions of the Board policy for Acceptable Use apply e is used.	
	ly not take any technology device sion, and completing a checkout f	off campus" that is not permanently assigned to you without first asking rm for that technology.	
person	al vehicle or use it during off hour	and its use during the checkout period, including when you transport it in a at your home or any other non-work location except when travelling for work must be followed when using the device off campus:	
1.		ne and the laptop/device can access this service without any configuration changes ice to connect to the Internet, provided that you use the device as if you were at	
	•	ou are at home, a hotel, a restaurant, or anywhere with Internet access, you should would be blocked at school.	
	Do not allow family me	abers or others to use the device for Internet browsing.	
2.	constitute a copyright or licensi	ed software onto the device. Do not store any files on the device which could a violation, or could be deemed illegal or of an inappropriate nature. Any installed to the function and support of your GCS job responsibilities.	
3.	3. If the device is lost, stolen, or damaged, you are responsible. If the device is stolen, file a police report immediately. The System's insurance provider will <u>not</u> cover the loss; it will expect your homeowner's policy to cover it. The school may require you to pay for repairs or replacement prior to any settlement you may receive from your homeowner's or other personal insurance policy. If your insurance company denies your claim, you are still financially responsible for the repair or replacement of the device.		
4.	You may not transport any data on the device that would compromise the identity of others, or puts any other protected data, passwords, or information at risk. This includes student information that would violate FERPA if that data is accessed by others, or if the device is lost or stolen.		
You are	e expected to keep the antivirus a	operating system updated and functioning properly.	
I have r	read and understand the above re	rictions and responsibilities.
