## 2021-2022 Professional Development

All E-Learning Days are Professional Development days for ALL Teachers

Please check the schedule below carefully, ask questions and receive clarification prior to the scheduled day.

For times not scheduled, teachers are to be in their home schools in meetings set by building administrators.

*Plans are tentative.*

**Expect changes. Final schedule will always be confirmed the day before scheduled events.**

One hour before scheduled session check email for any changes.
