

Gadsden City Board of Education

Vision

Empowering All Through Educational Opportunities

Mission

To prepare and inspire all students to become college and career ready through learning, serving, and excelling.

Beliefs

We believe in equal educational opportunities for all of our students.

Student Learning

Objectives

- Provide quality instruction for all students based on the Alabama Course of Study standards to assist with the learning loss.

Critical Initiatives

- Improve the College & Career Readiness rate for Gadsden City High School by 2%.
- Implementation of effective instructional strategies in Math and English Language Arts.
- Actively Engage Students in all subject areas

Stakeholder Engagement

Objectives

- Proactively engages families and communities in supporting their child’s learning and the schools learning goals.

Critical Initiatives

- Provide the schools with social workers that aid with the students in dealing with their social and mental health.
- Utilize meaningful feedback of students, staff, families, and community in the evaluation of school programs.
- Implement methods that incorporate multiple voices and perspectives, especially those from historically underserved groups in the community

Literacy

Objectives

- Improve student outcomes in all content areas by increasing literacy skills.

Critical Initiatives

- Use formative assessments and longitudinal data to identify areas of strength and weakness in each school.
- Design and Implement specific RTI evidence-based practices to identify learning gaps and remediate skill deficits.
- Provide daily opportunities for literature and writing in the content areas.
