

# About FCS

---

Family and Consumer Science classes are designed to enhance the physical, intellectual, emotional and social development of teenagers. Course content provides opportunities for students to learn about decision making, problem solving, goal setting, manners, character education, relationships with friends and family, childcare, food choices and preparation, health and wellness, and career awareness.

# FCCLA

**Each student enrolled in FCS is eligible to join the student organization.**

Family, Career and Community Leaders of America (FCCLA) is a national Career and Technical Student Organization (CTSO) for students in Family and Consumer Sciences (FCS) education in public and private school through grade 12. FCCLA offers intra-curricular resources and opportunities for students to pursue careers that support families. Since 1945, FCCLA members have been making a difference in their families, careers, and communities by addressing important personal, work, and societal issues through Family and Consumer Sciences education.

**FCS offers dynamic, hands on learning experiences while gaining everyday life skills.**

## Gadsden City Schools

The Gadsden City Board of Education does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth programs.

The following person(s) has been designated to handle inquiries regarding the non-discrimination policies:

Dr. Donna Smoots  
Section 504 Compliance Officer  
P.O.. Box 184
