

CHILD NUTRITION DEPARTMENT

Goal of Gadsden City Schools Child Nutrition Department

Our goal for Gadsden City Schools is to offer all students a healthy, nutritious meal while at school. All employees are trained to deliver high quality customer service where everyone is welcomed, valued, and appreciated.

We believe that the Gadsden City Schools Child Nutrition Services should be based on the educational and nutritional needs of students. The primary objective is to make available to every student in the school system attractive, well prepared, nutritionally adequate meals each day.
