

TechBlitz 2024

The Gadsden City Schools and The Alabama Technology Network Present

Location:

**The Bevill Center on the
Campus of Gadsden
State Community
College**

Date:

Friday, April 26, 2024

Time: 10:30 AM -11:00 AM

Open to the Public

The 17th annual TechBlitz will WOW you! Do not miss the amazing projects our students will be displaying. They will be technology-based projects and activities from the current school year. Elementary through high school work will be exhibited. We would like to welcome parents and the entire community to see first-hand how technology is being used to enhance student learning.
