

Through the Alabama SUN Bucks program, eligible school-age children will receive a one-time grocery benefit this summer. Families will receive a SUN Bucks card with the funds pre-loaded and ready to use for groceries.

How You'll Receive Your SUN Bucks Card

Your SUN Bucks card will be mailed to the address your child's school has on file. If you've moved recently, update your address now.

To update your address:

- Log in to **PowerSchool** and update it there, or
- Contact your child's school directly for help

Questions About Eligibility or a Missing Card?

The school and CNP department are **not able** to look up or replace your card. If you believe you are eligible but did not receive a card, you will need to contact SUN Bucks directly.

Visit alabama-sunbucks.com to:

- Check eligibility information
- View the **Brochure for Families** for more details.
